

Delisting request form

Dear user,

We acknowledge your delisting request concerning one or more search results on Qwant, including your name and surname.

In order to process your request, please complete the form below:

- **If you are the data subject involved by the delisting (adult) :**

Surname	
Name	
E-mail address	

The information indicated are mandatory. In accordance with the currently applicable data protection regulations, please provide a proof of identity and note that we do not handle requests if we do not receive your identity document. The document will be retained in the standard archive for one year from the day of Qwant's answer by our Data Protection Officer and will be permanently removed beyond the statutory prescription period (three years).

- **If you represent the data subject involved by the delisting (for example a minor, protected person of full age, services of a lawyer) :**

Surname	
Name	
Quality (<i>legal representative, guardian, lawyer</i>)	
E-mail address	

The information indicated are mandatory. In accordance with the currently applicable data protection regulations, please provide a proof of identity and any other document certifying you can act on behalf of the data subject involved by the delisting (*power of attorney, family record book*). Please note that we do not handle requests if we do not receive your identity document. The document will be retained in the standard archive for one year from the day of Qwant's answer by our Data Protection Officer and will be permanently removed beyond the statutory prescription period (three years).

- **The basis of your claim:**

You are able to request the removal of weblinks when you notice a violation of your privacy, in particular on the following basis:

- Sensitive data** (political affiliation and religious adherence, data concerning health or sex life...)
- Inaccurate or incomplete informations**
- Obsolete informations**
- Excessive or irrelevant informations** (for example, private photos or words that causes harm to you)

Please provide the reason in detail (*for example : date and specific circumstances proving the obsolescence of information, the evidence of the inaccuracy of the data, the evidence of intention of a third party's harmful intent...*)

- **The link(s) which must be delisted by QWANT :**

We remind you that if we agree to delist a link on the Qwant search engine, its content can remain available to users by entering a query in another search engine or by entering the URL address in your browser's search bar. It is your responsibility to contact the publication manager of the website in order to request the final deletion of these contents.

- **SIGNATURE**

Signature : **please enter your name**

By checking this box, you certify that the information provided in this form is accurate and you allow QWANT to convey it to relevant website publishers and to competent authorities.
